

AHAD SHAIKH

ASPIRING SOC ANALYST | SIEM (SPLUNK) | INCIDENT RESPONSE |
CYBERSECURITY
Maharashtra,Thane | ahadshaikh7355@gmail.com | +91 7304357519

SUMMARY

Aspiring Cybersecurity Professional with a strong interest in SOC operations and SIEM-based security monitoring. Hands-on experience with tools like Splunk, Wireshark, Burp Suite, Nmap, and Kali Linux for basic log analysis, traffic monitoring, and vulnerability testing. Currently learning alert monitoring, threat detection, and incident response fundamentals, while improving skills in networking, Linux, and security concepts to build a career in the cybersecurity domain.

TECHNICAL SKILLS

- Technical Skills
- **SIEM & Monitoring:** Splunk, Log Analysis, Alert Investigation
 - **Security Tools:** Wireshark, Burp Suite, Nmap
 - **Networking:** TCP/IP, DNS, HTTP/HTTPS, Ports
 - **Operating Systems:** Linux (Kali), Windows Basics
 - **Programming:** Python, SQL
 - **Web Technologies:** HTML, CSS, JavaScript
 - **Security Concepts:** SQL Injection, Cryptography Basics

TRAINING & LEARNING

Internshala Training Program – Cybersecurity Aug 2025 - Oct -2025

- Completed a structured online training focused on cybersecurity fundamentals, ethical hacking, and network defense.
- Practiced hands-on labs using tools like Nmap, Wireshark, and Burp Suite.

EDUCATION

Bachelor of Computer Applications (BCA) Somaiya Vidyavihar University, Mumbai	2024-2027, Present
Higher Secondary School, Thane (HSC – 12th) Percentage: 74.67%	2022-2024
Secondary School, Thane (SSC – 10th) Percentage: 78.40%	2022

ADDITIONAL INFORMATION

- **Languages:** English, Hindi
- **Certifications:** Ethical Hacking with Kali Linux, CyberSecurity 101, Introduction to Networking
